THE YELLOW PAGES

ADVERTISING IN THE yellow pages

• • • • • HAS MAXIMUM CIRCULATION

The Classified Directory is delivered to every telephone subscriber, and to every public telephone location. It is available to all other persons. A copy is in most of the households of the area you want to reach and people in these households continually refer to the directory.

• • • • • IS WIDELY USED

Studies have shown that 9 out of 10 people use the Yellow Pages as a buying guide. Classified Telephone Directory advertising enables you to increase your share of the business in your market.

• • • • • REACHES CUSTOMERS READY TO BUY

An advertisement in the Yellow Pages sells for you when the customer is ready to buy. Valuable advertising dollars are not lost on casual readers. Customers using the Yellow Pages are in a buying frame of mind.

• • • • • IS ALWAYS AVAILABLE

Advertising in the Yellow Pages is not lost, misplaced or forgotten. Since the Classified Directory is a free reference book, people can see your advertising any day of the year, any time of the day – and just about any place.

• • • • • IS INEXPENSIVE

The Yellow Pages offer low-cost advertising with units beginning at a few pennies a day. Other units of advertising to meet the specific needs of individual businesses are available at correspondingly low rates.

• • • • • HAS PROVEN RESULTS

No doubt about it, advertising in the Yellow Pages builds business. That's why 90% of the advertisers renew their advertising from year to year and why so many take additional space in each new issue of the directory.

• • • • • IS SUPPORTED BY OUR OWN ADVERTISING PROGRAM

The advertising campaign in support of the Yellow Pages encompasses all major media from television, newspapers, car cards and radio through magazines, billboards and direct mail. Every day millions of people are reminded of the Yellow Pages emblem and the slogan "The First Place To Look . . . For Anything". This, advertising is your advertising.

• • • • • WILL INCREASE YOUR SHARE OF THE MARKET

WANT TO RENT SOMETHING?

Suppose it's a piano. Open the book to "Pianos" and look for advertising featuring piano rentals. In fact, most rentals for home, office and industry are listed under the heading of the product desired.

SELLING SOMETHING?

Antiques, for example. Simply look under the "Antiques" classification. There you will find listings and ads of dealers who buy antiques.

You have only to choose the dealer or dealers you wish to patronize.

LOOKING FOR PROFESSIONAL PEOPLE?

Need a doctor? A lawyer? An accountant or a nurse? These and all other professional people are listed under their respective headings in the Yellow Pages.

FORGOTTEN A NAME BUT REMEMBER THE ADDRESS?

For example, you may have forgotten the name of a florist at 38 Main Street. Simply turn to the "Florist-Retail" heading; look through the addresses and you will find the name.

PUT AN EDISON MAZDA LAMP IN EVERY SOCKET

Edison Mazda Lamps represent the highest development in incandescent lamp manufacture. Strong and durable because of their rugged drawn wire filaments, they may be used with absolute satisfaction under all conditions. Their light is clear, white and even, and in quantity is three times that given by the old, obsolete carbon lamps.

We are headquarters for all types of **EDISON Mazda Incandescent Lamps**. Descriptive pamphlets on the subject will be mailed upon request.

A New Improvement

Radiola V

Dry Cells Replace Storage Batteries

A new vacuum tube has made it possible. Radiola V and Radiola RC have been topping them all in popularity for dependability and long range—receiving over thrilling distances—up to 1,500 miles and more. Now both are converted to dry battery operation. This means greatly lowered cost—does away with bulky storage batteries—gives the far-away farmer the same good service it gives the city man.

No more need for expensive storage battery and charger. A big saving! And a saving made greater by the new offer—a combination offer of receiver and accessories—complete at a price remarkably low.

"There's a Radiola for every purse"

Ask your nearest Radio or Electrical Dealer for folder giving details of these two great receivers.

On The Air!

PACKARD

When you buy a Packard Single-Six you buy a car that is visibly and truly of Packard quality. It is this quality that keeps the Single-Six running sweetly and powerfully long after another car is showing wear. It is this quality that puts spirit in the car's action, safety into its structure, comfort into every mile it travels. It is this quality that underlies this car's remarkable success, and the enthusiasm of its more than 4,000 owners. The Packard Single-Six touring car formerly was \$3640. It is now \$2975, f. o. b. Detroit.

YOU CAN SAFELY EXPECT FROM THE PACKARD SINGLE-SIX A YEARLY AVERAGE OF 17 MILES OR BETTER TO THE GALLON OF GASOLINE, 1,000 MILES OR BETTER TO THE GALLON OF OIL, AND 15,000 MILES OR BETTER FROM TIRE.

PACKARD MOTOR CAR COMPANY · DETROIT

Single-Six enclosed models are now available for immediate delivery, and are displayed at our salaroom. New and lower prices, recently effective, represent a saving of \$275 in the Sedan and \$400 in the Coupe.

HOW WELL DO YOU KNOW YOUR CITY?

France gifted the Statue of Liberty to the United States in 1886 for its centennial celebration. A smaller replica stands on the Ile aux Cygnes on the Seine in Paris—facing west, toward her American sister.

Prof. De Commerce, Master Instructor, teaches Stage, Toe, Fancy and Classic Dancing and all Modern Dancing.

Special classes Wednesdays and Saturdays; children 4 to 6 p. m., adults 8 to 10 p. m. Tea Room for the convenience of our patrons.

Another feature is seventeen brand new Brunswick & Balke billiard and pocket billiard tables. Everything up-to-date. Perfectly lighted. Plenty of comfortable chairs and best of service. Come any time. No waiting.

Manhattan is a walker's paradise. People are much more likely to walk a mile from point A to B than in almost any other city in America. Owning a car in Manhattan is very rare. The average New Yorker would probably prefer to walk half a mile (10 blocks) in good weather rather than deal with the hassle of hailing a cab or getting on a train or bus.

Tired Nervous Mothers

**Should Profit by the Experience
of These Two Women**

Buffalo, N. Y.—"I am the mother of four children, and for nearly three years I suffered from a female trouble with pains in my back and side, and a general weakness. I had professional attendance most of that time but did not seem to get well. As a last resort I decided to try Lydia E. Pinkham's Vegetable Compound which I had seen advertised in the newspapers, and in two weeks noticed a marked improvement. I continued its use and am now free from pain and able to do all my housework."—Mrs. B. B. ZIELINSKA, 202 Weiss Street, Buffalo, N. Y.

Portland, Ind.—"I had a displacement and suffered so badly from it at times I could not be on my feet at all. I was all run down and so weak I could not do my housework, was nervous and could not lie down at night. I took treatments from a physician but they did not help me. My Aunt recommended Lydia E. Pinkham's Vegetable Compound. I tried it and now I am strong and well again and do my own work and I give Lydia E. Pinkham's Compound the credit."—Mrs. JOSEPHINE KIMBLE, 835 West Race Street, Portland, Ind.

A POINT OF IMPORTANCE

Advertising is the road to better business. As every salesman knows, the secret of successful salesmanship is knowing what to say and how to say it. This is a more difficult task for the advertiser because the personality of the salesman and a concrete sample of the article are lacking. He must overcome this handicap by having an attractively arranged advertisement, which will emphasize clearly the most important points and advantages of the article for sale.

Our department of Design and Display is at your service and we will gladly offer suggestions and submit samples at your request.

THE SELLING FACTOR

The thing that takes paper and ink out of the class of Printed Matter and makes it a Printed Salesman—that gives it selling force and the ability to pull orders—is the illustration. Good plates, clear and accurate in detail and artistic in treatment—these are the first essentials of good printing, and without good printing there is no good advertising.

WE ARE PHOTO-ENGRAVERS

and make plates by every process—line or half-tone for black or color work, all up to the best standards and at prices as low as reliable work can be done for. Our plant and our advice are always at your service. A consultation with us may save you errors and money in the plates you need. Come and see us or Phone No. 2117 Chelsea, and our representative will call.

SCIENTIFIC ENGRAVING CO. . . 406 West 31st Street

DID YOU KNOW?

You can expect to wait for no more than 2-3 minutes for a taxicab during most hours (6am-midnight), though it might take you 10-15 minutes late at night (unless you go directly to the taxi company). You can expect to travel about 18 miles an hour by cab, or about 6 blocks per minute.

DID YOU KNOW?

Manhattan is an island, and there are only a handful of ways on and off it. In the yellow pages you'll find a list of bridges and tunnels that are generally traveled by car (taxi or private). In addition, a few subway lines travel between boroughs. There are no airports open to the public in Manhattan - those flying in or out by plane need to travel through North Beach Air Field in Queens, Floyd Bennett Air Field in Brooklyn, or Newark Airport in New Jersey

You don't lose one bit of that fresh tobacco fragrance—rich Turkish blended with Burley and other choice Domestic tobaccos.

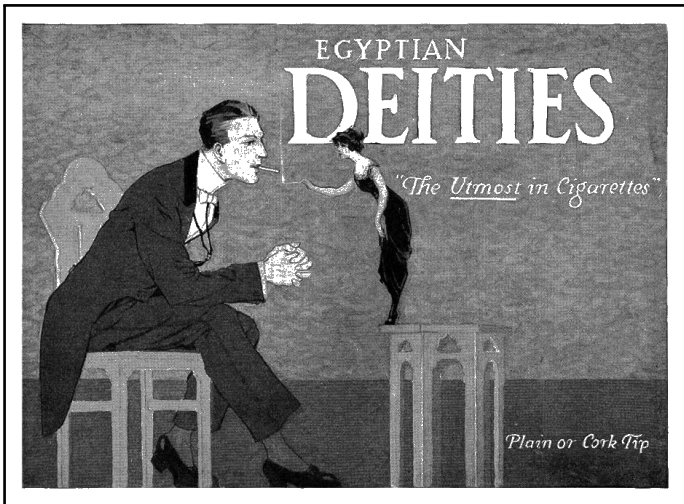

You get fresh cigarettes—firm, full-flavored and cool burning. And you can't know how much better a fresh cigarette tastes until you try Chesterfields.

To anxiety...I bring relief

I'm your best friend
I am your Lucky Strike

I am made only of the choice center leaves. The top leaves are bitter, biting. The bottom leaves are gritty, tough and unpalatable. My fragrant, expensive center leaves—so mellow and rich—give you the mildest, best-tasting smoke. I do not irritate your throat. To anxiety I bring relief. I'm your best friend.

Try me I'll never let you down

**"CHANGE HERE FOR
CANAL STREET,"
HOLLERED HORSE-CAR HENNESSEY**

"Before I do," spoke Ingrid Domostolus, eighteen and pretty as a
May morning, "may I suggest a change for you?"

"Be as suggestive as ye like, me Wild Rose," answered the veteran
turfman.

"Change to OLD GOLDs and cease those rasping roars. Ease your
throat with honey-smooth, heart-leaf tobacco and part forever with
those grunts and growls. Speech is silver, silence is golden... and
OLD GOLD speech is even more golden... there's not a bark in a
billion."

MINNEAPOLIS BUFFALO PHILADELPHIA

We are the sole agents for twelve paper mills who make over 1400 tons per day of M. F., S. & S. C., light weight Catalog Papers, Coated Papers, Coated Blanks, News Print Paper and Wrapping Papers.

The product of these mills cannot be secured except through us. Five of these mills make exclusively light weight Catalog and Bible Papers of a quality that cannot be duplicated in this country.

Ask us for figures on your requirements and we will help you to find the quality and weight of paper best adapted for your purposes.

No order is too large for us to handle promptly and no order too small to receive our most careful attention.

Let us show you printed samples of our paper now being used in many of the largest editions of catalogs, directories, etc., published in this country. We ask for nothing more than an opportunity to submit our proposition. A request, phone or mail, will bring a salesman to your desk with a real practical knowledge of paper and printing.
